DEFENDANTS	
	Cal. Rules of Court, rule 3.300

NOTICE

Plaintiff Franciscus Dylan Rosario hereby gives notice, pursuant to California Rules of Court, rule 3.300, that the following cases are related within the meaning of rule 3.300(a).

RELATED CASES

Case 1: CGC-25-631801 (Equity Action)

Rosario v. Abdelhalim, CSAA Insurance Exchange, Phillips Spallas & Angstadt LLP, Navaratnasingham, Reyna, et al. – Superior Court of California, County of San Francisco, Department 610. Case Management Conference: May 27, 2026, 10:30 a.m. Nature: Independent action in equity to set aside judgment for extrinsic fraud (fraud on the court).

Case 2: CGC-25-631802 (Fraud/UCL Action)

Rosario v. CSAA Insurance Exchange – Superior Court of California, County of San Francisco, Department 610. Case Management Conference: May 27, 2026, 10:30 a.m. Nature: Fraud and deceit (Civ. Code §§ 1709–1710); violation of Bus. & Prof. Code § 17200 (UCL).

Case 3: CGC-21-594102 (Underlying Action)

Rosario v. Abdelhalim – Superior Court of California, County of San Francisco, Department 504, Judge Wong. Nature: Personal injury action; judgment entered April 25, 2025; appeal pending.

Case 4: A173827 (Appeal)

Rosario v. Abdelhalim – First Appellate District, Division Three. Nature: Appeal from judgment in CGC-21-594102; grounds include instructional error (CCP § 614 violation), evidentiary error, and asymmetric rulings.

BASIS FOR RELATING CASES

Under California Rules of Court, rule 3.300(a), cases are related when they:

(1) Involve the same parties and are based on the same or similar claims. All four proceedings arise from the same February 4, 2021 collision between Plaintiff Rosario and Defendant Abdelhalim. CGC-25-631801 and CGC-25-631802 share the party CSAA Insurance Exchange. CGC-25-631801 and CGC-21-594102 share the party Abdelhalim. The appeal (A173827) arises from the judgment in CGC-21-594102.

(2) Are likely to require substantial duplication of judicial resources if not coordinated. The two new complaints involve overlapping evidence: the same collision and incident records (911 audio, BWC footage, CAD logs); the same court transcripts from CGC-21-594102; overlapping discovery regarding CSAA's conduct; and common issues of fact regarding the false representations made to the Court.

(3) Cross-front evidence sharing. Evidence developed in CGC-25-631801 (CSAA claim file, PSA internal communications, defense file chain of custody) directly supports the fraud theory in CGC-25-631802. Evidence developed in CGC-25-631802 (CSAA's pre-denial investigation steps, training materials) directly supports the "funded, directed, and controlled" allegation in CGC-25-631801.

RELIEF REQUESTED

Plaintiff respectfully requests:

1. **Coordination of CGC-25-631801 and CGC-25-631802** for discovery and case management purposes, given that both cases are assigned to Department 610 with a May 27, 2026 Case Management Conference.
2. **Notice to the appellate court** (A173827, First Appellate District, Division Three) of the pending equity action (CGC-25-631801), which alleges fraud on the court in the underlying proceeding and may be relevant to the appellate court's disposition.
3. **Identification of CGC-21-594102** as the underlying action from which both new complaints arise, so that the Court has complete awareness of the procedural posture.

CERTIFICATION

Plaintiff certifies that this Notice of Related Cases is filed concurrently in CGC-25-631801 and CGC-25-631802, and that copies have been served on all known parties or their counsel of record.

Respectfully submitted,

Dated: _____, 2026
