19 of the matter.

23 number, the verbatim or paraphrased text, and the standard citation form for each provision
24 below. Each provision is part of the published California Codes (Insurance Code) or the California
25 Code of Regulations, title 10 (10 CCR), promulgated by the Insurance Commissioner

Section C. Reliable-source authentication and Evid. Code section 453 statement

For each provision identified in Section A, the official text is published in the West's Annotated California Codes (Insurance Code) and is available at gov.westlaw.com, codes.findlaw.com (California Insurance Code), and the official California Legislative Information website at leginfo.legislature.ca.gov. For each provision identified in Section B, the official text is published at oal.ca.gov (Office of Administrative Law) and at the California Department of Insurance regulatory page (cdi.ca.gov), and is also available at gov.westlaw.com (10 CCR section 2695). Plaintiff has independently verified each verbatim excerpt against the published text. Plaintiff requests judicial notice of the text of the provisions only, not of any disputed factual matter that might be inferred from the text. The Court may consult any of the above-referenced sources to confirm the text of each provision.

Pursuant to Evidence Code section 453, the predicates for mandatory judicial notice are satisfied: (i) Plaintiff has requested judicial notice of each enumerated provision; (ii) Plaintiff has given Defendants sufficient notice of the request through contemporaneous service of this Supplemental Request on Defendants' counsel of record at Porter Scott (Chad Tapp, Tyler O'Connell, Monica Schubert, S. Blithe) on May 7, 2026; and (iii) Plaintiff has furnished the Court with sufficient information (verbatim or paraphrased text plus the section number and standard citation form) to enable the Court to take judicial notice of each provision.

Section D. Cross-references; relationship to other May 7, 2026 filings

This Supplemental Request is filed contemporaneously with, and in support of, the following May 7, 2026 filings in this action:

1. Plaintiff's Consolidated Operative Opposition to Defendants' Special Motion to Strike Pursuant to C.C.P. section 425.16; Fifteen-Page Compliant Version. The regulatory floor of Insurance Code section 790.03(h) and 10 CCR sections 2695.1 to 2695.8 is incorporated by reference into the Operative Opposition under CRC 3.1113(j).
2. Plaintiff's Request for Judicial Notice (filed May 7, 2026). Section B of that RFJN

1 identifies the same Insurance Code and 10 CCR provisions and incorporates this Sup-
2 plemental RFJN by reference under CRC 3.1113(j).

3 3. Plaintiff's Notice and Statement re C.C.P. section 425.17, Section IV-A. Section IV-
4 A of that Notice ties each Insurance Code section 790.03(h) sub-paragraph and each
5 10 CCR section 2695.x provision identified herein to specific defense conduct on the
6 certified court record (the February 25, 2021 written denial under claim number 1004-
7 09-1054; the January 17, 2025 motions in limine numbers 6 and 17 in CGC-21-594102;
8 the February 18, 2025 reporter's transcript at 141:4 to 11; the April 16, 2025 reporter's
9 transcript at 7 and 213:13 to 15; and the May 4, 2023 inter-firm Substitution of Attorney,
10 Trans. ID 69953800).

11 4. Plaintiff's Supplemental Bench Briefs filed May 5, 2026 (Doc. Nos. 069, 071, 075, 077;
12 Trans. IDs 79390442 and 79390024), addressing C.C.P. section 425.17(c) commercial-
13 speech exclusion. The bench briefs and this Supplemental Request are mutually re-
14 inforcing on the regulatory floor that section 425.17(c) protects from special-motion
15 abuse.

16 Plaintiff respectfully notes that Moradi-Shalal v. Fireman's Fund Ins. Co. (1988) 46 Cal.3d
17 287 narrowed the private right of action under section 790.03(h) but expressly left intact
18 the regulatory duty and Department of Insurance enforcement authority. Zhang v. Superior
19 Court (2013) 57 Cal.4th 364 confirms that Insurance Code violations remain available as
20 predicates for Business and Professions Code section 17200 claims. Each provision identified
21 in Sections A and B above is independently a Department of Insurance jurisdictional anchor
22 and a Zhang predicate; the special motion to strike does not engage either.

23
24 Conclusion

25 Plaintiff respectfully requests that the Court take judicial notice of each provision identified
26 in Sections A and B above. Notice of this Supplemental Request was given to Defendants
27 contemporaneously with service of Plaintiff's Operative Opposition, RFJN, and Notice re
28 C.C.P. section 425.17 (filed May 7, 2026). Pursuant to Evid. Code section 453, the predicates

1 for mandatory judicial notice are satisfied.
