Plaintiff, In Pro Per

SUPERIOR COURT OF THE STATE OF CALIFORNIA
COUNTY OF SAN FRANCISCO
UNLIMITED CIVIL JURISDICTION

FRANCISCUS DYLAN ROSARIO,
PLAINTIFF,

v.

Subhi Abdelhalim; CSAA Insurance Exchange;
Phillips, Spallas & Angstadt LLP; Priya D.
Navaratnasingham; Alberto Reyna; Michael R.
Chambers; Carbone, Smith & Koyama; and Does 1
through 50, inclusive;

DEFENDANTS

Case No.: CGC-25-631801

PLAINTIFF'S MOTION TO STRIKE THE
MAY 5, 2026 REPLY DECLARATION OF
TYLER J. O'CONNELL AND EXHIBIT A; OR,
IN THE ALTERNATIVE, FOR LEAVE TO
FILE A SUR-REPLY

(Cal. Rules of Court, rules 3.1113(b), 3.1306(a); Code
Civ. Proc., §1005(b))

Cross-noticed for pending defense hearings (this case,
Dept. 301):

#	Motion	Date / dept / judge
(1)	Anti-SLAPP (Code Civ. Proc., § 425.16)	May 12, 2026, 9:30 a.m.; Dept. 301; Hon. Christine Van Aken

Complaint filed: Dec. 23, 2025
FAC filed: Feb. 25, 2026

1 I. To the Court, the Clerk, and All Parties and Their Counsel of Record

2 Pursuant to California Rules of Court, rule 3.1113(b), rule 3.1113(j), rule 3.1306(a), and the
3 Court's inherent authority to police the scope of reply papers, Plaintiff Franciscus Dylan
4 Rosario respectfully MOVES to STRIKE the Reply Declaration of Tyler J. O'Connell filed
5 May 5, 2026 (Doc. No. 081, Trans. ID 79390442 / 79390024), in particular paragraph 6 (the
6 81.7-hour fee summary) and Exhibit A (the redacted billing summary), or, in the alternative,
7 for LEAVE to file a short sur-reply addressed only to those new matters.

8 The motion is brought on three separate and independently sufficient grounds: (A) the
9 targeted matter is new evidence and a new fee theory raised for the first time on Reply, in
10 violation of the rule against new matter on Reply; (B) Exhibit A is not contemporaneous
11 billing records and lacks the foundation required by Evidence Code sections 702, 1271, and
12 1521; and (C) the targeted matter was not the subject of any motion or noticed prayer at
13 the time the moving papers were filed and therefore was not within the issues opened by the
14 moving papers, in violation of CCP section 1005(b) and CRC 3.1113.

15 II. Statement of Targeted Matter

16 The targeted matter is:

- 17 1. Reply Declaration of Tyler J. O'Connell filed May 5, 2026 (Doc. No. 081), paragraph
18 6, asserting an 81.7-hour fee summary at \$210 per hour, plus 2 hours hearing time, in
19 support of a fee prayer of \$16,519.50 first articulated in the body of Defendants' Reply,
20 filed May 5, 2026 (Doc. No. 080), at p. 5 ll. 8 to 10.
- 21 2. Exhibit A to the May 5, 2026 O'Connell Reply Declaration (Doc. No. 081), described as
22 a redacted billing summary, offered in support of paragraph 6 of the same declaration.

23 The fee theory underlying paragraphs 6 and Exhibit A was not articulated in Defendants'
24 moving Notice of Motion and Motion to Strike Pursuant to C.C.P. section 425.16, filed April
25 9, 2026 (Doc. Nos. 017 to 020), nor in the moving Memorandum of Points and Authorities
26 filed April 9, 2026 (Doc. No. 020). The April 9 papers contain no contemporaneous billing
27 record, no hour-by-hour summary, and no fee declaration. The fee summary appears for the
28 first time in the May 5, 2026 Reply.

III. Authority and Application

III.A The rule against new matter on Reply

California courts uniformly hold that points and evidence raised for the first time in a reply are improper and should be disregarded or stricken. (San Diego Watercrafts, Inc. v. Wells Fargo Bank (2002) 102 Cal.App.4th 308, 316 (reply evidence not considered without granting opposing party an opportunity to respond); Reichardt v. Hoffman (1997) 52 Cal.App.4th 754, 764 (the salutary rule is that reply briefs do not raise new points; otherwise the responding party has no opportunity to counter the argument); Jay v. Mahaffey (2013) 218 Cal.App.4th 1522, 1537 to 1538 (anti-SLAPP reply may not enlarge or change the moving papers' theory of relief).)

Here, the May 5, 2026 Reply enlarges the moving papers' relief by injecting a quantified fee prayer (\$16,519.50), and the May 5, 2026 O'Connell Reply Declaration paragraph 6 and Exhibit A inject the supporting evidentiary basis. Both are new matter. Both should be stricken under San Diego Watercrafts, Reichardt, and Jay v. Mahaffey.

III.B Foundation defects in Exhibit A

Even if Exhibit A could be considered, it fails Evidence Code foundational requirements. (Evid. Code section 702 (personal knowledge); section 1271 (business records mode-of-preparation foundation); section 1521 (best-evidence rule).) Exhibit A is a redacted summary, not contemporaneous billing records; the declarant lays no foundation for the mode of preparation, custody, or completeness of the underlying source records. The summary therefore cannot support the fee prayer it purports to substantiate. Plaintiff's contemporaneous Evidentiary Objections (filed May 7, 2026) preserve the same Evidence Code 702, 1271, and 1521 objections in itemized form and are incorporated under CRC 3.1113(j).

III.C Procedural irregularity under CCP section 1005(b) and CRC 3.1113

CCP section 1005(b) requires moving papers to articulate the relief sought sixteen court days before the hearing so the responding party has a full statutory window to oppose. (See also CRC 3.1113(b) (memorandum must contain a statement of the relief sought).) A fee

1 prayer first quantified on Reply nine days before the hearing collapses the section 1005(b)
2 window for that prayer to a fraction of the statutory minimum, and deprives Plaintiff of
3 the briefing opportunity the Legislature guaranteed. The same section 1005(b) and CRC
4 3.1300(d) chronology supporting Plaintiff's own May 7 cure is set forth in Plaintiff's Notice of
5 Withdrawal of April 21, 2026 and May 1, 2026 Memoranda and Designation of May 7, 2026
6 Consolidated Operative Opposition (filed May 7, 2026, item 02), Section VI ("Statement of
7 Good Cause and Non-Prejudice Under CCP Section 1005(b) and CRC 3.1300(d)"); the cure
8 honors Plaintiff's section 1005(b) obligations while exposing the asymmetry of the defense
9 fee-prayer timing.

10 III.D CRC 3.1306(a): written ruling per objection

11 Plaintiff respectfully requests that the Court enter a written ruling on each objection in this
12 motion and on each objection in the contemporaneous Evidentiary Objections (filed May
13 7, 2026). California Rules of Court, rule 3.1306(a), and the Supreme Court's instruction
14 in Reid v. Google, Inc. (2010) 50 Cal.4th 512, 532, contemplate that objections preserved
15 on the record are ruled upon, and that silence is not equivalent to a sustained objection.
16 A per-objection ruling preserves the appellate record and avoids the Reid trap of treating
17 un-ruled objections as overruled by default.

18 IV. Alternative Relief: Leave to File a Short Sur-Reply

19 If the Court declines to strike, Plaintiff alternatively requests leave under CRC 3.1113(b) and
20 the Court's inherent authority to file a short sur-reply (not exceeding three pages, double-
21 spaced, Times New Roman 12-point) addressed solely to: (a) the new fee theory at Reply
22 p. 5 ll. 8 to 10; (b) the new evidence at O'Connell Reply Declaration paragraph 6; and (c)
23 Exhibit A. Plaintiff requests that any such leave order set a sur-reply due date no later than
24 the close of business on Monday, May 11, 2026, so that the sur-reply is before the Court for
25 the May 12, 2026 hearing.

1 V. Cross-Incorporation

2 Plaintiff incorporates under CRC 3.1113(j): (1) Plaintiff's Evidentiary Objections to Decla-
3 rations of Tyler J. O'Connell filed April 9, 2026 and May 5, 2026 (filed May 7, 2026, item
4 06); (2) Plaintiff's Notice of Withdrawal of April 21, 2026 and May 1, 2026 Memoranda
5 and Designation of May 7, 2026 Consolidated Operative Opposition (filed May 7, 2026, item
6 02); (3) Plaintiff's Consolidated Operative Opposition (filed May 7, 2026, item 01), Section
7 VII (direct response to Reply) and Section VIII (frivolousness inversion); and (4) Plaintiff's
8 Notice and Statement re C.C.P. section 425.17 (filed May 7, 2026, item 13), Section VI row
9 4 (foundation defect in fee summary).

10 VI. Prayer

11 Plaintiff respectfully requests that the Court:

- 12 1. STRIKE paragraph 6 and Exhibit A of the Reply Declaration of Tyler J. O'Connell
13 filed May 5, 2026 (Doc. No. 081); or, in the alternative, GRANT leave to file a short
14 sur-reply on the terms in Section IV above;
- 15 2. ENTER a written ruling per objection on this motion and on the contemporaneous
16 Evidentiary Objections (filed May 7, 2026), per CRC 3.1306(a) and Reid v. Google,
17 Inc. (2010) 50 Cal.4th 512, 532;
- 18 3. DECLINE to consider the \$16,519.50 fee prayer at Reply p. 5 ll. 8 to 10 in the absence
19 of foundational evidentiary support; and
- 20 4. GRANT such further relief as the Court deems just.

21
22 Cross-references: Plaintiff's Evidentiary Objections (filed May 7, 2026); Plaintiff's Notice
23 of Withdrawal and Designation (filed May 7, 2026); Plaintiff's Consolidated Operative Op-
24 position (filed May 7, 2026) sections VII, VIII; Plaintiff's Notice and Statement re C.C.P.
25 section 425.17 (filed May 7, 2026) section VI row 4.
26

The foregoing is submitted by Plaintiff in pro per.

Dated: May 7, 2026
