THE DENIAL LETTER AND ITS REPRESENTATIONS

REQUEST FOR ADMISSION NO. 1:

Admit that CSAA Insurance Exchange issued a denial letter to Plaintiff Franciscus Dylan Rosario

1 dated February 25, 2021, regarding a claim arising from the February 4, 2021 collision involving
2 its insured, Subhi Abdelhalim.

3 **REQUEST FOR ADMISSION NO. 2:**

4 Admit that the February 25, 2021 denial letter stated, in substance, that CSAA had “concluded” its
5 investigation of the claim.

6 **REQUEST FOR ADMISSION NO. 3:**

7 Admit that the February 25, 2021 denial letter stated, in substance, that CSAA had “concluded”
8 that its insured, Subhi Abdelhalim, was “not liable” for the February 4, 2021 collision.

9 **REQUEST FOR ADMISSION NO. 4:**

10 Admit that the February 25, 2021 denial letter was intended to communicate to the claimant that
11 CSAA had completed its investigation and reached a final determination on liability.

12 **REQUEST FOR ADMISSION NO. 5:**

13 Admit that a reasonable claimant receiving the February 25, 2021 denial letter would understand
14 it to mean that CSAA had obtained and reviewed relevant evidence before determining that its
15 insured was not liable.

16 **INVESTIGATION STANDARDS AND PROCEDURES**

17 **REQUEST FOR ADMISSION NO. 6:**

18 Admit that industry standards for investigating third-party automobile liability claims include
19 obtaining police reports and related law enforcement documentation when law enforcement re-
20 sponded to the incident.

21 **REQUEST FOR ADMISSION NO. 7:**

22 Admit that when law enforcement responds to a vehicle-pedestrian collision, a reasonable and
23 complete investigation would include obtaining the 911 call recording, body-worn camera footage,
24 and computer-aided dispatch records.

25 **REQUEST FOR ADMISSION NO. 8:**

26 Admit that a reasonable and complete investigation of a pedestrian-vehicle collision claim would
27 include obtaining and reviewing statements made by the insured driver to 911 operators and/or
28 responding law enforcement officers.

REQUEST FOR ADMISSION NO. 9:

Admit that CSAA Insurance Exchange's claims-handling procedures require adjusters to obtain police records when law enforcement responded to an incident before issuing a liability determination.

KNOWLEDGE OF LAW ENFORCEMENT INVOLVEMENT

REQUEST FOR ADMISSION NO. 10:

Admit that as of February 25, 2021, CSAA Insurance Exchange knew or should have known that law enforcement responded to the February 4, 2021 collision.

REQUEST FOR ADMISSION NO. 11:

Admit that when law enforcement responds to a collision, records including 911 call recordings, body-worn camera footage, and dispatch logs are routinely generated.

REQUEST FOR ADMISSION NO. 12:

Admit that as of February 25, 2021, CSAA Insurance Exchange knew or should have known that a 911 call had been placed in connection with the February 4, 2021 collision.

Admit that as of February 25, 2021, CSAA Insurance Exchange knew or should have known that body-worn camera footage existed from law enforcement officers who responded to the February 4, 2021 collision.

REQUEST FOR ADMISSION NO. 14:

Admit that as of February 25, 2021, CSAA Insurance Exchange knew or should have known that its own insured, Subhi Abdelhalim, may have made statements to the 911 operator, responding officers, or other persons at the scene of the February 4, 2021 collision.

REQUEST FOR ADMISSION NO. 19:

Admit that as of February 25, 2021, CSAA Insurance Exchange had not interviewed its own insured, Subhi Abdelhalim, under oath or through a recorded statement regarding the circumstances of the February 4, 2021 collision.

REQUEST FOR ADMISSION NO. 20:

Admit that as of February 25, 2021, CSAA Insurance Exchange had not obtained a copy of Subhi Abdelhalim's driver's license record or driving history.

REQUEST FOR ADMISSION NO. 21:

Admit that as of February 25, 2021, the only source of information CSAA Insurance Exchange had obtained regarding the circumstances of the February 4, 2021 collision was the account provided by its own insured, Subhi Abdelhalim.

REQUEST FOR ADMISSION NO. 22:

Admit that as of February 25, 2021, CSAA Insurance Exchange had not obtained the 911 call audio recording generated by law enforcement in response to the February 4, 2021 collision.

5 **REQUEST FOR ADMISSION NO. 25:**

6 Admit that the 911 audio recording, body-worn camera footage, and CAD records relating to the
7 February 4, 2021 collision were obtainable through routine public records requests as of February
8 25, 2021.

9 **REQUEST FOR ADMISSION NO. 26:**

10 Admit that Plaintiff's counsel (Dolan Law Firm) obtained the 911 audio recording on May 12,
11 2021, less than three months after the February 4, 2021 collision.

12 **CSAA'S FUNDING AND OVERSIGHT OF THE DEFENSE**

13 **REQUEST FOR ADMISSION NO. 27:**

14 Admit that CSAA Insurance Exchange funded the defense of *Rosario v. Abdelhalim*, Case No.
15 CGC-21-594102, through retained defense counsel (including Chambers, subsequently Carbone
16 Smith & Koyama, and subsequently Phillips, Spallas & Angstadt LLP).

17 **REQUEST FOR ADMISSION NO. 28:**

18 Admit that CSAA Insurance Exchange maintained a claims file for the bodily injury liability claim
19 arising from the February 4, 2021 collision, and that the claims file was updated with information
20 from the related litigation, CGC-21-594102, during the period the case was pending.

21 **REQUEST FOR ADMISSION NO. 29:**

22 Admit that CSAA Insurance Exchange received periodic reports, updates, or summaries from re-
23 tained defense counsel regarding the status of the litigation in *Rosario v. Abdelhalim*, Case No.
24 CGC-21-594102, between May 2023 and January 2025.

25 **POST-DENIAL DISCOVERY PRODUCTION AND CSAA'S ACCESS**

26 **REQUEST FOR ADMISSION NO. 30:**

27 Admit that the 911 audio recording, body-worn camera footage, and CAD records were produced

1 to defense counsel representing Abdelhalim in discovery in the underlying action, *Rosario v. Ab-*
2 *delhalim*, Case No. CGC-21-594102.

3 **REQUEST FOR ADMISSION NO. 31:**

4 Admit that the 911 audio recording, body-worn camera footage, and CAD records were used at the
5 deposition of Franciscus Dylan Rosario on August 18, 2022, in *Rosario v. Abdelhalim*, Case No.
6 CGC-21-594102.

7 **REQUEST FOR ADMISSION NO. 32:**

8 Admit that the 911 audio recording, body-worn camera footage, and CAD records were used at
9 the deposition of Subhi Abdelhalim on September 30, 2022, in *Rosario v. Abdelhalim*, Case No.
10 CGC-21-594102.

11 **REQUEST FOR ADMISSION NO. 33:**

12 Admit that after February 25, 2021, CSAA Insurance Exchange or persons acting on its behalf
13 obtained, reviewed, or caused to be obtained any law enforcement records relating to the February
14 4, 2021 collision, including but not limited to the 911 audio recording, body-worn camera footage,
15 CAD records, or police incident reports.

16 **REQUEST FOR ADMISSION NO. 34:**

17 Admit that after February 25, 2021, CSAA Insurance Exchange continued to evaluate, reassess, or
18 monitor the bodily injury liability claim arising from the February 4, 2021 collision.

19 **REQUEST FOR ADMISSION NO. 35:**

20 Admit that CSAA Insurance Exchange set or adjusted reserves on the bodily injury liability claim
21 arising from the February 4, 2021 collision at any time after February 25, 2021.

22 **REQUEST FOR ADMISSION NO. 36:**

23 Admit that at some point after February 25, 2021, CSAA Insurance Exchange or its retained de-
24 fense counsel obtained or received copies of the 911 audio recording, body-worn camera footage,
25 and/or CAD records relating to the February 4, 2021 collision.

26 **REQUEST FOR ADMISSION NO. 37:**

27 Admit that prior to January 17, 2025, CSAA Insurance Exchange was aware that the 911 audio
28 recording, body-worn camera footage, and CAD records had been served on defense counsel by

1 Plaintiff's counsel during discovery in CGC-21-594102.

2 **REQUEST FOR ADMISSION NO. 38:**

3 Admit that prior to January 17, 2025, CSAA Insurance Exchange had listened to, reviewed, or
4 been briefed on the contents of the 911 audio recording in which its insured, Subhi Abdelhalim,
5 stated, in substance, "I barely hit him with anything."

6 **THE MOTIONS IN LIMINE AND CSAA'S ROLE**

7 **REQUEST FOR ADMISSION NO. 39:**

8 Admit that Motions in Limine Nos. 6 and 17, filed by defense counsel in *Rosario v. Abdelhalim*,
9 CGC-21-594102, on January 17, 2025, stated, in substance, that the 911 audio recording and police
10 records "were not produced in discovery" and were of "unknown provenance."

11 **REQUEST FOR ADMISSION NO. 40:**

12 Admit that CSAA Insurance Exchange reviewed, approved, or was informed of the substance of
13 Motions in Limine Nos. 6 and 17 filed by defense counsel on January 17, 2025, before those
14 motions were filed.

15 **REQUEST FOR ADMISSION NO. 41:**

16 Admit that the representations in Motions in Limine Nos. 6 and 17—that the 911 audio recording
17 and police records "were not produced in discovery" and were of "unknown provenance"—were
18 inconsistent with the sworn testimony of J. Jessup, Esq., who testified on February 18, 2025, that
19 the evidence had been served on defense counsel during discovery.

20 **THE 911 RECORDING: AUTHENTICATION AND CONTENT**

21 **REQUEST FOR ADMISSION NO. 42:**

22 Admit that the 911 audio recording contains a statement by Subhi Abdelhalim regarding the Febru-
23 ary 4, 2021 collision, and that Abdelhalim authenticated the recording at trial on April 17, 2025,
24 in *Rosario v. Abdelhalim*, Case No. CGC-21-594102, by stating: "Yes. That is my voice."

25 **REQUEST FOR ADMISSION NO. 43:**

26 Admit that the 911 audio recording contains a statement by Subhi Abdelhalim to the emergency
27 operator, in substance: "I barely hit him with anything."

28 **REQUEST FOR ADMISSION NO. 44:**

1 Admit that a statement by a driver to a 911 operator that he “barely hit” a pedestrian is relevant to
2 the determination of liability in a vehicle-pedestrian collision claim.

3 **REQUEST FOR ADMISSION NO. 45:**

4 Admit that a statement by an insured driver that he “barely hit” a pedestrian would be relevant to
5 CSAA’s determination of whether that insured was liable for the collision.

6 **THE UNDERLYING LITIGATION AND OUTCOME**

7 **REQUEST FOR ADMISSION NO. 46:**

8 Admit that the underlying lawsuit, *Rosario v. Abdelhalim*, Case No. CGC-21-594102, was filed
9 on July 27, 2021, approximately five months after the February 25, 2021 denial letter.

10 **REQUEST FOR ADMISSION NO. 47:**

11 Admit that the jury in *Rosario v. Abdelhalim*, Case No. CGC-21-594102, returned a 9–3 verdict
12 for the defense on April 25, 2025.

13 **REQUEST FOR ADMISSION NO. 48:**

14 Admit that a 9–3 verdict is the minimum civil majority required for a verdict under California law.

15 **THE LOGICAL CONTRADICTIONS**

16 **REQUEST FOR ADMISSION NO. 49:**

17 Admit that if CSAA Insurance Exchange had obtained the 911 audio recording prior to February
18 25, 2021, CSAA would have heard Subhi Abdelhalim state, in substance, “I barely hit him with
19 anything.”

20 **REQUEST FOR ADMISSION NO. 50:**

21 Admit that CSAA Insurance Exchange cannot simultaneously maintain that (a) its investigation
22 of the February 4, 2021 collision was “concluded” as of February 25, 2021, and (b) it had not
23 obtained the 911 audio recording containing its insured’s statement about the collision.

24 **REQUEST FOR ADMISSION NO. 51:**

25 Admit that CSAA Insurance Exchange cannot simultaneously maintain that (a) its investigation
26 was “concluded” as of February 25, 2021, and (b) it continued to evaluate, reassess, monitor, or
27 adjust reserves on the claim after that date.

28 **REQUEST FOR ADMISSION NO. 52:**

1 Admit that if CSAA Insurance Exchange was aware, at any time prior to January 17, 2025, that
2 the 911 audio recording and related law enforcement records had been served on defense counsel
3 during discovery, and did not correct the representations made in Motions in Limine Nos. 6 and
4 17, then CSAA permitted materially false representations to be made to the Court on its behalf.

5 **REQUEST FOR ADMISSION NO. 53:**

6 Admit that CSAA Insurance Exchange maintains standardized templates or form language for
7 denial letters issued to third-party bodily injury claimants.

8 **REQUEST FOR ADMISSION NO. 54:**

9 Admit that the phrase “concluded our investigation” (or substantially similar language) appears in
10 denial letters issued by CSAA to other third-party claimants, and is not unique to the February 25,
11 2021 denial letter.

12 **REQUEST FOR ADMISSION NO. 55:**

13 Admit that CSAA Insurance Exchange’s claims-handling procedures include supervisor review or
14 approval of liability denial determinations before issuance of denial letters.

15 **REQUEST FOR ADMISSION NO. 56:**

16 Admit that CSAA Insurance Exchange tracks claim-closure timelines, denial rates, or comparable
17 performance metrics for claims adjusters.

18 **REQUEST FOR ADMISSION NO. 57:**

19 Admit that the only liability-relevant information CSAA Insurance Exchange obtained before is-
20 suing the February 25, 2021 denial letter was the account provided by its own insured, Subhi
21 Abdelhalim.

22 **REQUEST FOR ADMISSION NO. 58:**

23 Admit that CSAA Insurance Exchange did not, at any time before February 25, 2021, make any
24 attempt to contact Plaintiff to obtain his account of the February 4, 2021 collision.

25 **REQUEST FOR ADMISSION NO. 59:**

26 Admit that CSAA Insurance Exchange set or adjusted reserves on the claim at any time after
27 issuing the February 25, 2021 denial letter, and that any such reserve change is inconsistent with
28 the claim that the investigation was “concluded” as of that date.

Respectfully submitted,
